

CLUB INDEPENDENT (CI) TOURNAMENT POLICY (CI-POL-007) (APPROVED 28 APRIL 2020)

This policy is the Club Independent (CI) Tournament Policy (CI-POL-007) for all members under the CI umbrella.

POLICY

It is the policy of Club Independent (CI) that members, whether individuals, teams, and/or group of teams, under the CI umbrella shall not plan, organize, host, co-host, sponsor, and/or co-sponsor a tournament as tournaments are only pursued and approved at the club level. This policy includes, but not limited to, all sanctioned tournaments, all non-sanctioned tournaments, and/or other events that can be assumed as a tournament(s). In addition, CI members shall not participate in the leadership and/or organizing of such events described above with outside organizations.

CI BOARD OF DIRECTORS TOURNAMENT STATEMENT

It has been determined by the CI Board of Directors, referred to in this document as the Board, that tournament hosting, co-hosting, sponsoring, and/or co-sponsoring will not be pursued by CI as these events do not fit into the model of the organization.

Any violation of the Tournament Policy may result in disciplinary actions from the Board to the member(s) and/or team(s) from a reprimand up to and including release/removal from the Club, as deemed appropriate by the Board.
